

Tags use

Layout

Primary Tags:

- Should have a purple sticker on white text
- Should be right aligned on the deal card

Secondary Tags:

- Should be left aligned on the deal card
- Can we make use of the tag design option 4 on the below for all of these except for the 2 tags ‘New’ and ‘Low stock’
- ‘New’ tag – Should be as designed in the brand guide with green colour and blue text but should be left aligned.
- ‘Low stock’ tag – Should be in an amber colour.
- Secondary tags that we should consider are as follows - Low stock, Discount, New, Prime Video,
